THE MOUAT VAPOR HEATING CO.

1246 West Fourth Street

CLEVELAND

Capitalizing the Future—

THE Architect plans not only for to-day, but for to-morrow that the beauty which he creates may endure. He selects material that grows more harmonious under the mellowing touch of time.

Tapestry Face Brick gives that effect

Building Materials-

We Carry a Complete Line, including all Specialties

Clay Products-

Roofing-

Johns-Manville Asbestos Shingles give the permanence and fire protection of Asbestos, while their soft warm colors harmonize with any architectural scheme or natural surroundings.

All colors and sizes carried in stock.

Coal-

We can Furnish any Grade you desire

Before making your Selection of FACE BRICK, we would be pleased to have you call at our Display Room at Main Office:

The W. E. WRIGHT COMPANY

455 South Main Street

AKRON, O.

America's Oldest Firm

In the cast stone industry, is the firm manufacturing Rackle Artstone. For over a half century this beautiful and everlasting material has been produced for a constantly growing circle of users.

Among the more prominent buildings in Akron and vicinity where Rackle Artstone may be found are:

HARDWARE BUILDING
PORTAGE COUNTRY CLUB (Mantels)
TRINITY LUTHERAN CHURCH
ST. ANDREW'S CHURCH (Interior)

GRACE LUTHERAN CHURCH (Wadsworth)
O. C. BARBER RESIDENCE (Barberton)
H. A. GALT RESIDENCE
CHURCH OF THE ANNUNCIATION

AKRON, OHIO

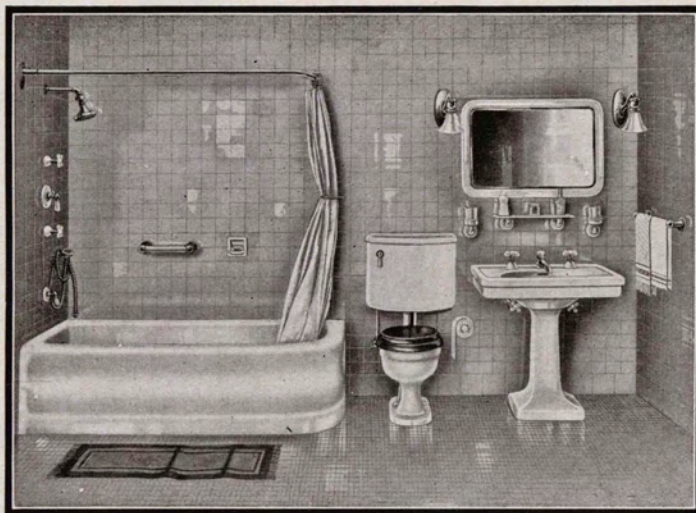

Note the finished appearance of the radiator in this room, equipped with the Universal Shield

WHY NOT INSTALL THE BEST

The Universal Radiator Shield

EFFICIENT, STRONG, SIMPLE, NEAT

Universal Shields prevent the blackened and ruined walls, ceilings, draperies and furnishings by their use.

Both Plumbing and Heating for many of the buildings and residences illustrated in this book have been installed by

The Zindle Plumbing and Heating Co.

ALSO MANUFACTURERS OF
UNIVERSAL RADIATOR SHIELDS
